

PLASCON BUDGET GLOSS

PRODUCT DESCRIPTION & USES

Plascon Budget Gloss is a highly durable synthetic enamel paint, which is very easy to apply. It is suitable for all painting jobs on wood and metal, indoors and outdoors, and it produces an attractive, glossy surface.

SURFACE PREPARATION

In order to obtain the best result it is recommended that the surface be primed as follows:-

On new wood Plascon Pink Wood Primer, on steel Plascon Zinc Chromate Free Primer or Plascon Red Oxide Primer. On galvanized steel zinc and light alloy metals only Plascon Wash Primer is recommended. If undercoating is desired use Plascon Budget Undercoat.

DRYING TIME:

Plascon Budget Gloss is re-coatable in 6-10 hours.

SHADE AVAILABILITY:

Plascon Budget Gloss is available in an attractive range of shades, also White and Black, (See shade card.)

THINNING:

Use Plascon White Spirit for application by brush and Plascon Synthetic Thinner for spray application.

COVERING CAPACITY:

6-10m² per litres/30 microns.

APPLICATION:

Can be applied by brush, roller or spray gun.

PACKING:

20 litres, 4 litres, 1 litre, 1/2 litre.
